» ABOUT US

At The Realtor, we are more than just an educational institute — we are a community shaping the future of real estate. With a mission to create skilled, ethical, and innovative real estate professionals, we combine academic knowledge with hands-on industry exposure.

CORE VALUES

- Excellence in Education
- Integrity & Ethics
- Innovation & Entrepreneurship

OUR VISION

To empower aspiring real estate professionals with world-class education, practical training, and mentorship, enabling them to excel in property development, investment, sales, and management.

OUR MISSION

Shaping Real Estate Careers

To empower aspiring real estate professionals with world-class education, practical training, and mentorship, enabling them to excel in property development, investment, sales, and management.

PROGRAMS & COURSES

Real estate programs are specialized courses that teach you the fundamentals of property sales, investment, finance, valuation, and legal compliance.

1

Professional Diploma Courses :

(Comprehensive, career-focused programs designed for in-depth expertise.)

- Real Estate Sales & Marketing
- Real Estate Finance & Investment
- Property Valuation & Asset Management

2

Professional Diploma Courses :

Designed for professionals aiming to specialize in property investment and finance management. This course blends financial theory with real-world applications in real estate.

- Real Estate Law & Compliance
- Urban Development & Smart Cities
- Residential & Commercial Brokerage.

3

Special Industry Workshops

Practical, hands-on sessions led by industry experts to develop essential skills like negotiation, digital marketing, and investment strategies.

- Negotiation Skills
- Digital Marketing for Realtors
- Investment Strategies in Real Estate

4

Highlights:

- ✓ Practical case studies
- ✓ Industry-recognized certification
- ✓ Internship & placement support

Program Benefits:

By gaining these skills, you can build a successful career in the fast-growing property sector, whether in residential, commercial, or international markets.

Our Strength

01

Experienced Faculty

Learn from industry experts with real-world real estate experience who provide practical insights, guidance, and mentorship for successful careers.

Empowering future real estate leaders with knowledge, industry connections, and global opportunities.

02

Industry Partnerships

Collaborations with leading developers, brokers, and financial firms offer students internships, live projects, networking, and exposure to real-world opportunities.

03

Modern Learning

Smart classrooms, interactive online modules, and on-site property visits combine to give students practical, hands-on, and immersive learning experiences.

04

Placement Support

Dedicated career guidance, resume assistance, interview preparation, and placement opportunities help students secure rewarding roles in the real estate sector.

05

Global Perspective

Exposure to international real estate trends, investment strategies, and best practices equips students to understand and succeed in global markets.
